EC90 Completion Guide

About this form

How to use this guide

This guide aims to help you fill out the EC90 form correctly. While you complete the form, have this guide open at the relevant question. Each question on the form is explained with the same number in this guide.

This makes sure you give the Education Council of Aotearoa New Zealand (called the Education Council in this form and guide) the right information the first time, so we can process your application quickly and accurately. If you write the wrong details, leave information out, or fail to provide the required documentation, processing your application is delayed while we contact you.

The Education Council requires all the documents that you provide to be in English. If you have documents that are in a language other than English or Māori, you must supply full translations. These must be word-for-word translations prepared and certified as correct by an official New Zealand translation service.

Note: In this form and guide, the phrase “learning centre” is used to mean schools, kindergartens, early childhood centres and other institutions where you can be employed while working towards full certification.

When to use this form

Use this form to renew your practising certificate if:

- you have a Full practising certificate but you have insufficient recent teaching service in New Zealand to renew full certification.
- your last practising certificate was Subject to Confirmation.

NB: If you are unregistered, please use the EC10 application form.

Important: Until you are registered and hold a practising certificate, a school or kindergarten is only permitted to employ you for up to 10 days (20 working half-days), and a certificated teacher must supervise you during that time. If you cannot obtain a practising certificate before the 10 day limit expires, the school or kindergarten needs to apply to the Education Council for an extension to that limit and explain why. For an extension to be issued, the Education Council must be processing the application and have all fees paid.

Originals, copies and attachments

You must send this form as the original. The Education Council cannot approve faxed, scanned or photocopied applications.

The Education Council will not return any original documents, so please send us certified copies only.

A **certified copy** is a copy of the document that has been verified by an official such as:

- School principal / Centre manager
- Solicitor
- Notary public
- Justice of the Peace
- Registrar, or
- The authority who originally issued the document.

The person certifying the documents **must** note on every page the following “**certified true copy of the original**” and must clearly identify and include on the document: **[full name of official] [signature of official] [title] [address and contact number] [official stamp or seal] [date the documents were certified]**. If the Education Council is not satisfied with the certified documents that you have provided, you may be asked to provide further documentation or for the documents to be certified again.

Writing notes on the form

If you think we might find any answer unclear and you want to clarify it, you can write notes on the form.

Where to go for more information

If you have any questions about completing this application, visit the Education Council website www.educationcouncil.org.nz. If you cannot find the information there, phone the Education Council. When contacting the Education Council please give your full name and registration number or date of birth, so that we can identify your record.

Completing Section A: Personal details

This section collects the details that identify you from other applicants and allows the Education Council to contact you if needed. Please send updates to the Education Council when any of these details change. There is a web form on our website that you can complete to submit changes at any time. This section of the application also forms part of the requirements around proof of identity which is further outlined in the [Completing proof of identity](#) section of this guide.

1 Identifying details

Please complete this section thoroughly. This will ensure we can communicate with you and that the NZ Police can process their check quickly and efficiently. Complete your name in the fields provided. In “other names used”, give any other names by which you have been known, or that appear on any documents that you are attaching to the application, e.g., a maiden name. Birth date and gender are used to make sure we do not mix up your records with those of another person who has the same name. The New Zealand driver licence and passport number should be given where applicable.

Changes to identity information

If you have changed your name or identity information since you last applied to the Education Council, you must provide with your application a certified copy of your official name change document.

- Acceptable evidence of changes to identity information is listed in this guide in the table called [Category C Evidence of changes to identity information](#). See guide notes for [Completing proof of identity](#).
- Please refer to the notes in this guide under the section header [Originals, copies and attachments](#) for specific information on how to certify the documentation needed.
- If there are inconsistencies across the identification documents or identity verification you have provided to the Education Council you may be asked to provide further information.

2 Contact details

This information gives us ways to contact you about your application, and helps us keep our records up to date. If providing an email address, please make sure it is personal and permanent. If given we will use email contact first. It is important that you contact the Education Council with any changes to these contact details. We will send communications by post to those whose email address bounces or where no email address is provided.

3 Registration details

Please provide your registration number and practising certificate expiry date. You can check your practising certificate card to see these details.

4 Sector details

Choose the sector that you are currently employed in. If you are not currently employed, choose the sector you intend to be working in. The Education Council may use the information you provide for statistical purposes. If we do so, it will be published in such a way that you cannot be identified.

5 Your employment

To be employed in a teaching position you are required to hold a current practising certificate. It is unlawful to be employed in a teaching position in a school and most teaching positions in the ECE sector without a practising certificate that is current. If you have already commenced employment, you will need to provide your employment details in this section. The Education Council will consider this information as part of the processing of your application. If you have been offered a teaching position and have not yet started, this information should also be provided.

Completing Section B: Fee payment

6 Fee payment

You can pay the required fee using one or a combination of methods. Do not send cash. The application processing fee is **non refundable**. If the information provided is sufficient to make the decision to approve or decline an application, the Education Council will make this decision. It is therefore important that all specific service and qualification requirements have been met at the time of applying. If more information is required, it is expected that this is obtained promptly and sent to us. Please keep us informed about any difficulties or delays. We would usually only keep an application open for these reasons for up to six months.

Collective agreement fee payment exemption

If you are eligible to have the application processing fee paid by the Secretary for Education under an appropriate collective agreement, you will need to complete an exemption form and attach this to your application. Exemption forms can be downloaded from the Education Council website. If you are eligible, please also ensure you tick the collective agreement payment option in Section B of the application form.

Late fee

A late fee is payable if you do not have a practising certificate and you are employed in a teaching position that requires you to hold one when we receive your application.

Fee schedule. Important: No practising certificate without payment

This document is an application to renew your practising certificate. The Education Council must have the full amount of your fee payment before we will begin assessing your application. You will be formally advised when your application is approved. If any problem arises with your payment (such as dishonour of a cheque or credit card transaction), we will contact you. Please ensure you attach the full payment, and be certain that any cheque or credit/debit card account you provide has sufficient credit for the transactions, and will not expire for at least a month from when you submit the application. The fee schedule on the latest version of the application form outlines the amount required to be paid. If paying by credit/debit card, we will deduct the fee applicable at the time of receipt.

Completing proof of identity section

The Education Council requires the identity referee to be either a School Principal, a Centre Manager of an early childhood education centre or an ITE Head of Programme.

The identity referee must:

- verify the two forms of identification required in this section (one from Category A and one from Category B) of which one form of identification must be photographic

- complete all sections of the form and apply the school/centre stamp or seal
- not be related to, or be a partner or spouse to the applicant

Evidence of name change or other changes to identity information

It is important that the evidence of identity presented to the identity referee covers all identity information provided in the sections of the application form under the headings of *Personal details*, *Applicant declaration* and *Proof of identity*.

If the identity documentation that you provide to the identity referee shows that there is a difference in the name or other aspects in the identity related information that those documents were issued under, you will need to provide to the identity referee evidence from the table below in Category C to verify the difference. For example if the document that you provide to the identity referee from Category A was issued under a name that is different from the name that the document you provide from Category B, you will need to provide a document from Category C that verifies that difference in name for both documents. Note: If there are inconsistencies across the identification documents or identity verification you have provided to the Education Council, you may be asked to provide further information.

Category C: Evidence of changes to identity information	Issuing agency
Change of Name by Statutory Declaration	Department of Internal Affairs
Change of Name by Deed Poll	Department of Internal Affairs

Completing Section C: Recent teaching in the last five years

7 You need to complete either **7(i)** or **7(ii)** not both.

Complete table **7(i)** by choosing one option and providing place of employment and dates of employment.

If you have not completed any of those options, fill in table **7(ii)** with details of your teaching employment completed within the last five years.

Column	Description
Position/role	Give a description of your occupation in that year e.g., “teacher”, “principal”, “reliever”, “centre manager”, “head of department”, “home based coordinator”, etc.
Learning centre (if applicable)	If you were working in a school or ECE service, give the name of the learning centre. If overseas, also give the country.
MOE number	If you were working in a school or ECE service, give the Ministry of Education institution number for that service.
From date	Give the <i>month</i> and <i>year</i> when your employment in this position began.
To date	Give the <i>month</i> and <i>year</i> when your employment in this position ended.
Part time hours	If you were doing this in a part time capacity, list the total hours worked per week.
Full time	Tick “full time” if you were doing this in a full time capacity.
Day relief	Give the total number of relieving days completed in that year.

If you have not completed any teaching in the last five years, you will be asked to prepare and submit a “return to practice” plan. A “return to practice” plan requires you to identify your professional learning needs to re-enter the profession as a certificated teacher and to be an effective teacher, and the professional development and learning activities you intend to undertake to address these needs. Refer to the Education Council website for further guidance.

8 You may need to provide us with confirmation of your teaching qualification(s). This is because teachers who have only ever held full registration since 1990 have not previously been required to provide us with certified copies of their teaching qualifications. If you have not already provided verification to the Education Council, we will require a certified copy of your teaching qualification (and entry qualification/s if relevant) in order to complete the processing of your application.

Completing Section D: Reason for renewing

9 **Subject to Confirmation practising certificate**

In this question, indicate the most relevant reason that explains why you have not yet met the *Practising Teacher Criteria* and been issued with a Full practising certificate.

Completing Section E: Overseas police certificates

10 **Overseas police certificates**

Regardless of your nationality, you must obtain a police certificate from any overseas country (a country outside New Zealand) where you have lived for 12 months or more. The police certificate must cover the entire period in which you lived in that country and must be a **national** police certificate.

- Tick “No” only if you have never lived for 12 months or more in any one overseas country in the last 10 years (e.g., if you have always lived in New Zealand and have never travelled overseas for more than a few months holiday at a time).
- Tick “Yes” and list the countries you have lived for 12 months or more in.

NB: If you have provided a police certificate with an earlier application to the Education Council, you only need to provide a more up to date certificate for that country if you have been back there for 12 months or more since the approval of your last application for a new practising certificate.

Include all countries where you lived for 12 months or more in the last 10 years, regardless of whether:

- you were living there, travelling around, working or on holiday
- (if you have immigrated to New Zealand) it was your “home country” or a country you were only visiting
- you needed a visa to enter New Zealand from there or not (e.g., immigrants from Australia still need to list Australia), or
- you lived in one or in several places within the country (as long as the period totalled 12 months or more).

Do not include any time overseas while you were under the age of 16.

(Continued overleaf...)

Completing Section E: Overseas police certificates (continued)

Important! Certificates take time

If you have applied for a certificate, but not yet received it, please give the date you requested it in the space provided.

It is important to apply for police certificates as early as possible. Some countries take up to several months to process a request. We expect you to take reasonable steps to obtain these as early as possible. If there is a delay in getting these and you need to begin or continue working, it may be appropriate, in this situation, for your school or kindergarten to apply for an extension to the 10-day limit on working without a practising certificate.

Your application could be closed if we receive no response to efforts to contact you or you are not showing attempts to complete this requirement and gain the necessary police certificate(s).

How to obtain certificates

You need to apply to the relevant agency in each country. Each agency has its own forms to use, and provisions for issuing police certificates. Most countries charge a fee to provide these documents, which you are responsible for paying.

This table shows the most commonly visited countries, and how to request a police certificate from there:

The Education Council requests a “vetting” check from the NZ Police and when we receive your check results back from the Police we may need to ask more questions or get clarification from you. You should note that the conviction form from the Police will be given under the Clean Slate Legislation. You do need to be aware that some convictions do not get cleared by Section 7 of the Criminal Records (Clean Slate) Act 2004.

Consent for disclosure for a Police Vet check

By signing the declaration you acknowledge and understand as follows:

1. The information about me that the NZ Police may consider relevant to my application and release in vetting comprises any conviction history and, for certain agencies, infringement/demerit reports; and it may include any other information such as active charges and warrants to arrest, any information received or obtained by NZ Police, and any interaction I have had with NZ Police in any context (including family violence), even where I have not been charged, or charges are withdrawn, or I have been acquitted (not guilty) of a charge, or I have been discharged without conviction.
2. Any conviction history will be released in accordance with the Criminal Records (Clean Slate) Act 2004; this means that, if I am “eligible” for clean slate (e.g., no convictions for seven years, never been to prison, no convictions for specified sexual offending, etc – see section 7 of the Act):
 - a) my criminal record of convictions will not be disclosed; but
 - b) if the role for which I have applied is an exception to the clean slate scheme (e.g., predominantly involving care and protection of a child or young person), my criminal record of convictions will be disclosed.
3. Where a Court suppression order exists in respect of criminal conviction information not subject to the Clean Slate regime, any active criminal charge, or any past non-convicted charge, NZ Police may, if it considers the information to be sufficiently relevant and of concern, disclose in the result:
 - a) to certain approved agencies, such as government agencies, details of the suppressed information, with a warning against publication;
 - b) to other approved agencies, the existence of the suppressed information, without offence details.
4. Where NZ Police holds relevant information that it is unwilling to disclose to the approved agency for privacy, confidentiality or law enforcement reasons, NZ Police may recommend against unsupervised access to children or vulnerable persons (this is known as a “red stamp”).
5. The personal information I provide in this form is being collected for vetting purposes and may also be used for the purpose of updating NZ Police records.
6. I may withdraw this consent, prior to Police’s disclosure of the vetting result, by notifying the approved agency who will immediately notify NZ Police to cease the vetting process.
7. I am entitled to access the vetting result released to the approved agency and seek correction of Police information about me in accordance with the Privacy Act 1993 by making a request to the approved agency in the first instance.
8. No later than 12 months after the release of the vetting result, the approved agency will securely dispose of this consent form and copies of identification documents, as well as the vetting result released by NZ Police, in accordance with the Privacy Act 1993 or any other enactment, unless a longer retention period is required under legislation.
9. The information I have provided in this form relates to me and is correct.

14 Signature

In signing this statement, you authorise NZ Police to provide the Education Council with any information about you that is relevant to us in determining whether you are “of good character and fit to be a teacher”. This includes any convictions or other relevant information the Police may hold about you. Make sure you sign and date the form before sending it to the Education Council to signify your authority and request us to proceed. We cannot process and approve the application without this.

Completing Section G: Testimonial statement

Who can give this testimonial?

Your endorser is the principal of a school, senior teacher of a kindergarten, or centre manager for an early childhood centre where you have completed the most significant recent block of teaching in the last five years. The Education Council will determine whether a testimonial is acceptable based on the sufficiency of your employment at the relevant school or centre, so we may need to ask you to obtain another testimonial.

If you are the person employed in this position, then the testimonial must be completed by your employer (usually the Chairperson of the Board of Trustees or head of a similar governing body).

15 Teachers applying for a Subject to Confirmation practising certificate

Before you sign to confirm your testimonial for the applicant, please read each of the statements and carefully consider whether *to your knowledge* the applicant meets the criteria.

If you believe the applicant does not meet the criteria, do not complete this testimonial. Instead, discuss with the applicant directly. If unsure, contact the Education Council for advice.

Endorser details (information for Endorser)

Please provide your details so that the Education Council can confirm you are the correct person to provide this information. Lastly, please sign and date your testimonial.
