to bring you
the Global Dialogue
November 2016.**

Tony Mackay, Deputy Chairperson of the Education Council, will be facilitating the event and will be joined by Viviane Robinson, John Hattie and Michael Fullan.

The Global Dialogue will focus on some of the key themes that emerged from the last Dialogue in February 2016, including:

- **Outcomes focused collaboration**
- **Leadership capability for a network system**
- **The power and potential of middle leaders**

We are also pleased to bring you practitioners working in schools, in the UK, Canada, Australia and New Zealand. They will join the event and will reflect on these themes and their own experiences of working in collaboration. They will also respond to the dialogue as it unfolds.
